Dear Lederberg:

As you requested, I am returning herewith  
the three labeled copies of your reprints.

Should you decide to join our Institute,  
which we hope very much you will do, I am wondering  
whether you could squeeze out an extra copy of each of  
these for our archives. Perhaps some day we might  
publish them in a volume as the collected works of  
J. Lederberg.

Yours very sincerely,
